## Today's Products

for a

## BETTER TOMORROW

The BioBased® Family of Companies is committed to increasing the sustainability of today's products. We are the developers of Agrol®, the highest-quality, soy-based polyol on the market. We are the creators and marketers of BioBased® Insulation, an award-winning, soy-based spray polyurethane foam insulation for buildings; and Soy Seal™, a soy-based canned insulating foam sealant.

*Every day we work to make a better tomorrow...*
